ENGEO Is Among the Top Three Finalists of the Deltek Business Impact Award

San Ramon – May 25, 2010 – ENGEO was recognized as one of three top finalists among more than 12,000 Deltek customers nationwide for the Business Impact Award. Deltek’s Insight 2010 Conference was held in Washington DC on May 19th.

ENGEO’s innovative, solution-oriented staff has implemented and customized the Deltek Vision project database and accounting program to streamline processes, improve workflow capabilities, and maximize efficiencies resulting in more than \$300,000 in annual operational savings.

Deltek, Inc. (Nasdaq: PROJ), the leading provider of enterprise applications software and solutions for project-focused businesses, announced the finalists for the third annual Project Excellence Awards. These awards recognize outstanding Deltek customer and partner success in improving business processes and performance, increasing profitability and winning new business.

Highlights

- Projects over budget: **Reduced 73%.**
- Projects with no contract authorization: **Reduced 37%.**
- Average Age of A/R: **Reduced 24% or 38 days.**
- Eliminating duplicate entry of project data in multiple databases: **\$120,000 savings per year.**
- Improving data processes and access for field personnel: **20% reduction in hourly field labor costs.**
- Increasing automation and efficiency: **\$200,000 savings per year.**
- Real-time access to project data, financial reports, human resources and CRM data company-wide: **Priceless!**

About ENGEO

Founded in 1971, ENGEO is an employee-owned firm of geotechnical and civil engineers, geologists, hydrologists, environmental professionals and construction services technicians. ENGEO serves a diverse range of public and private clients in the United States and abroad through projects in transportation, infrastructure, water resources, geologic hazards, flood control, energy, industrial development, manufacturing, critical facilities, residential and mixed-use communities, urban infill, Brownfields and transit-oriented developments. ENGEO has offices located in San Ramon, San Francisco, Oakland, San Jose, Ripon, Rocklin and Santa Clarita (www.engeo.com).
