**FOR IMMEDIATE RELEASE**

SANTA ANA, Calif., August 11, 2009 – Chambers Group, a certified Disabled Veteran Business Enterprise (DVBE) and Small Business Enterprise (SBE) environmental firm, is pleased to announce the move of its corporate headquarters to a centrally-located office on the 7th floor within the prestigious Griffin Towers in Santa Ana. Chambers Group's new address is 5 Hutton Centre Drive, Suite 750, Santa Ana, California 92707 and contact information remains the same at 949.261.5414.

Chambers Group has provided environmental consulting services to public and private businesses in the U.S. western region for more than three decades. With roots in environmental compliance and natural resource management issues, Chambers Group was founded in Orange County in 1978 by environmental enthusiast Mel Chambers. Mr. Chambers is currently still active within the company serving on the board of directors. Chambers Group maintains branch offices in Redlands, San Diego, and the Coachella Valley, California as well as Reno, Nevada.

"We are excited to have the ability to expand office headquarters while sharing new resources and increased staff with our dedicated clients," states Sherman Smith, Chief Executive Officer and President.

Chambers Group's clients include energy and utility companies, water districts, transportation agencies, cities and counties, federal and state agencies, developers, and other private corporations. Clients receive professional services including environmental planning, thorough preparation of Environmental Impact Reports (EIR) and Environmental Impact Studies (EIS), regulatory permitting, technical studies that evaluate impacts to biological resources and cultural resources, restoration, air quality and noise, and construction mitigation monitoring.
