FOR IMMEDIATE RELEASE:

KJELDSSEN, SINNOCK & NEUDECK, INC. CONGRATULATES STAFF ON PASSING  
CALIFORNIA EXAM

(Stockton, CA, August 14, 2008)—The local civil engineering and surveying firm of Kjeldsen, Sinnock & Neudeck, Inc. (KSN) is pleased to announce a staff member of the firm passed the California Professional Land Surveyor examination.

**Landon Blake, PLS**, successfully completed the April 2008 California Professional Land Surveyor examination. Landon received his Associate of Applied Science in Land Surveying from Flathead Valley Community College in 2002. Landon is also the current Treasurer of the Central Valley Chapter of the California Land Surveyors Association and has been with KSN since May 2002.

Kjeldsen, Sinnock & Neudeck, Inc. (KSN) is a full service civil engineering and land surveying firm specializing in the planning, design, construction management, and surveying and mapping of public works, infrastructure, transportation, commercial, industrial, institutional and water resources projects. KSN has been providing civil engineering and land surveying services to public and private clients throughout the Central Valley since 1956. KSN, located at 711 N Pershing Avenue, Stockton, maintains a highly qualified staff of civil engineers and land surveyors to meet the varied needs of their clients.
