PRESS RELEASE

MTK ENGINEERS, INC. OPENS ORANGE COUNTY OFFICE

Joint business partnership between Mark Thomas & Company and Wei Koo, PE

Mark Thomas & Company, Inc. announced that they have formed a strategic business partnership with MTK Engineers, Inc. in Orange County. MTK's operation located in Irvine, California is founded by Wei Koo, President, former Principal of Wei Koo & Associates and most recently with PBS&J. This strategic partnership will allow MTK Engineers and Mark Thomas & Company to combine the engineering and technical resources to better serve the transportation and public works clients throughout the State of California.

MTK specializes in delivering transportation projects from inception through construction. MTK has expertise in managing the planning and engineering phases of civil and transportation projects for highways, ports and harbors, transit and rail grade separation and multi-modal facilities. The principals at MTK have served all major transportation clients in Southern California, such as Caltrans, the Los Angeles Metropolitan Transportation Authority (LAMTA), Orange County Transportation Authority (OCTA), Riverside County Transportation Commission (RCTC), and San Bernardino Association of Government (SANBAG). Mark Thomas & Company, based in Northern California, has provided civil, structural, and surveying services since 1927. Mark Thomas & Company was the first consultant to design the widening of a freeway as part of the first ½ cent sales tax measure program in Santa Clara County in 1984. Mark Thomas & Company sets the standards for project delivery to Caltrans with private consultant's involvement. *"This is an ideal partnership that can maximize the client relationships and technical skills of MTK employees with those of Mark Thomas & Company to better serve the entire state," stated Wei Koo, President MTK Engineers.*

Mark Thomas & Company and MTK combined have over 220 employees located in 9 offices in California. For further information, please contact Lisa Pereira McClintock at Mark Thomas & Company at (916) 381-9100, or Juliet Su, P.E. of MTK at (949)777-1258.
